

MEMBERS SUMMER DRESSAGE LEAGUE

THE CAERPHILLY BOY TROPHY

This is a reward programme designed to recognise Club Members who have taken part in any of the various Summer Dressage Shows organised during the year.

Points are awarded to Club Members only.

Points will be awarded based on the **score achieved** in the test. This relates to all tests, from Intro to those included in the PYO (Elementary, Medium, Advanced Medium) sections - the points system will be the same for all sections.

(For 2019 we will no longer be splitting each class by Member/Senior Member/Junior Non-Member/Senior Non-Member/Junior and awarding points based on position. Regardless of membership status, places will be determined by score and rosettes awarded to top 8, with a rosette to the highest placed Member and the highest placed Junior.

We will run restricted tests for the less experienced competitors as follows: our Intro classes will be restricted to horses who have no BD points at Preliminary level. We will also run one Preliminary class at each Show that is restricted to horses who have no BD points at Novice level. Full details of Show Schedule is published on the website.)

Points are awarded on the following basis:

PERCENTAGE GAINED	POINTS
60.00% to 61.99%	1
62.00% to 63.99%	2
64.00% to 65.99%	3
66.00% to 67.99%	4
68.00% to 69.99%	5
70.00% to 71.99%	6
72.00% to 73.99%	7
74.00% to 75.99%	8
76.00% to 77.9%	9
78.00% to 79.99%	10
80.00% and above	11

For points to count, riders have to be Club Members – fully paid up for the **current** year.

Whichever Committee Member has organised a Dressage Show, details of those people who have been placed, class by class, should be sent to Gill Benwell who maintains this database. Email address: g.benwell@btinternet.com

Details required for the Dressage League are:
